

**County:** 

## **Polling Place Accessibility Survey**

Disability Rights of West Virginia is working to improve accessibility at polling places across the state. Your feedback on the accessibility of your polling location will help us address any issues that exist. If you're willing to participate in our survey, please provide your county and polling place information. Although not required, you may also include your contact details if you choose. We appreciate your help in making voting accessible for everyone in West Virginia!

**Polling Place:** 

2. If "yes" to question #1, was the surface level and stable?  3. If accessible parking was provided, was it located on the closest route to the building entrance?  1. Was there at least one accessible entrance provided?  2. Was there a level and stable route that connected the parking area to the accessible entrance?  3. Were there any obstructions on the route? (ex: fire hydrants, cracked pavement, steps with no ramp, low-hanging trees, etc.)  Voting Area  1. After entering, was there a level and stable route to the voting area?  2. Was there adequate space and clearance to maneuver the voting area?  3. Was there at least one accessible voting machine available?  Voting  1. Was the check-in table on an accessible level?  2. Was there a sign informing you that assistance was available?  1. If an accommodation was requested, was it honored appropriately?  4. If assistive technology such as a headset or remote device was requested, was it provided to you?  5. Were you able to cast your vote privately?  6. Were poll workers helpful in assisting you?	Name (optional): Phone/Email (optional):
